Regal
Bath Fittings

Faucets | Showers | Accessories & More

Established in the year 1987, Regal Bathroom Fittings thrives to provide the best faucets and accessories to cater to the wide taste of the consumers. A wide selection of designs enables the consumer to go in for proper choice in conformity to the surrounding décor which have been crafted over a span of three decades.

At Regal Bathroom Fittings, quality is our top priority because quality is the driving force for growth of an organization and leads to better customer satisfaction. Our products reach the customers only after passing through a number of stringent quality control tests. All our products' components, ease of operation and perfect looks have to withstand numerous endurance tests.

A lot of time and thought was given to the design of each product that we have produced so far. The gorgeous and mirror polished design of our products easily caters to the surrounding décor of our customer. We have a network of over 1000 dealers in India and Abroad, and we are still growing as we speak.

Warranty Guide

Regal Bathroom Fittings offers the following warranty on its products as stated below :

- 8 Years of warranty on Faucets
- 2 Years of warranty on Showers & Accessories
- 3 Years of warranty on Flushing Systems
- 2 Years of warranty on Concealed Cisterns

The warranty is not renewed or extended on supply of the spare parts during the warranty. The Company will at sole discretion repair or replace any defective component or part of product with or without cost.

1. The original warranty certificate must be preserved by the customer and produced whenever required.
2. During the warranty period and under normal use, if the product/component/part is found to be faulty due to manufacturing defect, the same will be repaired or replaced upon production of the warranty certificate, without charges either for part labor or both, the decisions of Regal official will be final if the fault qualifies for warranty.
3. Warranty remains applicable only if the products have at all time been used strictly in accordance with terms of this warranty and has not been improperly or negligently handled and is not maintained in accordance to maintenance guidelines given
4. The company is not responsible for defects arising from transportation, improper installation, alterations, accidents, misuse or lack of proper maintenance
5. Hoses, rubber parts, plastic parts and consumable are not included in warranty. In case of defects on such products arising prior to installation, the company will decide on repair/replacement after inspection.
6. Breakage of cartridges on account of improper handling or use of excessive force are not covered in the warranty.
7. Detailed terms of warranty are mentioned in our warranty card.
8. The warranty will cover only manufacturing defects of the product and will not cover any defects arising out of factors out of control of the Company.
